Art and Design Curriculum Intent

What is the experience of Art and Design like at Oak Hill?

Fun, interactive, broad, hands on, creative.

Artists and methods of producing and developing 2D and 3D are taught and the children are encouraged to take risks and develop their artistic skills.

What are the core concepts we want the children to know?

Drawing, painting, sculpting, colour theory, observational art, abstract art, about famous or influential artists and their work

What does it mean to get better at Art and Design?

Children become more reflective and self evaluate

Refine their skills

Exposure to different artists and their work.

A growing knowledge of different styles of art and opportunities to try them for themselves.

How have we chosen what to teach?

Topic based

Based on chosen artists
