

## Oak Hill Church of England Primary School

### **Religious Education Curriculum Intent**

#### **What is the experience of Religious Education at Oak Hill?**

Spiritual, supportive, explorational, patient, understanding, connective, critically reflective

#### **What are the core concepts we want the children to know?**

Making sense of the text (Bible) (other religions), making connections between our lives and experiences with what we have read, understanding the impact that it has on us, on other and in the world.

We want children to be able to make sense of religious texts and learning, and varied interpretations, to understand the impact of beliefs in the lives of Christians (and other religions), and to make connections to wider learning and to themselves.

#### **What does it mean to get better at Religious Education?**

To make more connections between religious texts

To be able to think of and give of different ways that Christians use and respond to bible

To be able to give examples of how christians put their beliefs into practice.

To give examples of different types of bible text.

To gain a greater appreciation, knowledge and understanding of religions and faiths from around the world.

#### **How have we chosen what to teach?**

Understanding Christianity

Knowledge and understanding of faiths from all around the world.

An understanding of spirituality.
