

### History

We will be focusing this term on World War II. Learning about the outbreak of war, evacuation, rationing, the role of women and the holocaust.

### Geography

Our focus will be on locating which countries were involved in WW2 on either the axis or allies.

### Art / D+T

Working in 3D and 2D.  
Transferring an idea from 3D to 2D and vice versa.

### PE

This term we will be creating a WW2 based dance. Our dance will be based off the music of Karl Jenkins' Armed Man. We will be looking at self-improvement throughout this term.

### RE

This term we are focusing on why Jewish people believed that Jesus was the Messiah.

### Computing

Computational thinking – encryption and decryption. Inputs and outputs. Trial and error and iterative processes.

## *Year 5 and 6*

### **Curriculum News** **Term 2 2019/20**

### French

### Music

We will be researching historical music and digging into the history of music through WW2. We will be recreating short musical interludes for radio broadcasts.

We will also be looking at singing for our school nativity.

### English

Throughout this half term, we will be focusing on:

- Newspaper reports
- Diary entries
- Descriptive writing
- Further independent writing

We will also be turning our attention to diving deeper into understanding reading comprehensions.

### Science: Materials

This term we will be learning to:

- Compare and classify different materials;
- Understand about dissolving;
- Reversible and irreversible changes;
- Design, run and evaluate a variety of tests.

### Maths

Throughout this half term, we will be focusing on:

- Fractions
- Decimals
- Long Multiplication and Division
- Squared/ Cubed Numbers

We will also develop our understanding of solving worded problems with more focus on SATs style questions.
